Jason Blalack · 745 Poplar Ave, Boulder, CO 80304 · (720) 675-7297 · chinesemedicinedoc.com

For clients located outside Colorado. Please read and sign before your first visit.

License status. Jason Blalack is licensed as an acupuncturist only in Colorado. He is not licensed, certified, or registered as a health care provider in your state, and he is not a licensed physician (M.D. or D.O.). The services described here are not licensed by your state.

Nature of services. Services are complementary and alternative to health care services provided by practitioners licensed in your state. They are wellness consultations based on Chinese medicine and functional health principles and may include:

- Functional health coaching: guidance on lab tests you order yourself and an explanation of your results
- Supplement information and recommendations
- Diet and lifestyle guidance, including sleep and stress
- Custom herbal formulas to support balance and well-being, only for clients located in California, Idaho, Louisiana, Maine, Minnesota, Nevada, New Mexico, Oklahoma, or Rhode Island

In Alabama and South Dakota, consultations are general education only, without personalized diet or supplement plans.

Approach. Chinese medicine looks at patterns of balance in the whole person; functional health looks at lab markers, diet, and lifestyle. Your plan, including its expected length, will be explained at your first visit and updated as it changes.

What Jason does not do. He does not diagnose disease, prescribe drugs, treat a specific disease, or recommend stopping or changing any treatment prescribed by your licensed providers.

Talk to your doctors. Before starting any wellness plan, tell your primary care physician and other licensed providers, and ask them about possible drug interactions, side effects, and conflicts with your current treatment.

Qualifications. Master of Science in Traditional Oriental Medicine, Pacific College of Oriental Medicine, 2002; Diplomate in Acupuncture and Traditional Chinese Medicine, NCCAOM, 2002; licensed acupuncturist in Colorado (license 864) since 2002; postgraduate study in Taiwan and China; author of Qin Bo-Wei's 56 Treatment Methods (Eastland Press).

Fees. Initial consultation $200 (60 minutes) or $250 (90 minutes); follow-up $50 (15 minutes), $100 (30 minutes), or $175 (60 minutes). Herbs, supplements, lab tests, and shipping are extra. Jason earns a margin on supplements ordered through his online store. No insurance is billed.

Your rights. You may refuse services at any time. Your records are confidential unless you authorize release in writing or the law requires it. You may request copies of your records.

I have read and understood this disclosure.
